COMMERCIAL-GRADE CONSTRUCTION

Engineered for Healthcare Durability

This 36" base cabinet is constructed using an engineered core with an impact-resistant shell and professional dado joinery for superior structural strength. The unique configuration combines full-extension drawers on the left with a door storage section and factory-fitted 15" × 15" × 6" deep stainless steel sink on the right — available in either left or right position. High-pressure laminate surfaces are sanitary, moisture-resistant, and built to withstand the demands of high-volume clinical environments. Chrome handles provide easy, hygienic access throughout.
