

GOODTIME MEDICAL

MANUFACTURER DIRECT | MADE IN USA | 30+ YEARS EXPERIENCE

ADA-COMPLIANT 60" BATHROOM VANITY WITH PORCELAIN TOP

Professional Specification Sheet | Model A60-PT-2

For over 30 years, Goodtime Medical has manufactured premium ADA-compliant medical cabinets directly for healthcare facilities, luxury hotels, and upscale commercial properties nationwide. This 60" double-basin vanity with seamless porcelain top delivers full wheelchair accessibility across a wide commercial footprint — engineered for multi-user restrooms in medical offices, clinics, public facilities, and office buildings. The one-piece porcelain surface with integrated dual basins eliminates crevices, resists harsh disinfectants, and maintains a clean professional appearance under the demands of high-traffic commercial environments.

KEY PRODUCT FEATURES

✓ ADA COMPLIANT HEIGHT 34" overall height meets ADA 2010 Standards for Accessible Design — wheelchair accessible	✓ WALL-MOUNTED Floating design provides open knee clearance and full wheelchair accessibility
✓ DUAL INTEGRATED BASINS One-piece porcelain top with two integrated basins — each with overflow drain and single-hole faucet mounting	✓ TWO-PIECE CABINET DESIGN Split cabinet construction for easier transport through doorways and faster commercial installation
✓ 8" KNEE CLEARANCE Integrated knee clearance accommodates forward wheelchair approach at both basin positions	✓ INFECTION-CONTROL SURFACE Glazed porcelain resists moisture, harsh disinfectants, and chemical exposure — non-porous and easy to sanitize
✓ HEAVY-DUTY STUD-MOUNT Engineered for secure mounting into wall studs for long-term stability in high-traffic environments	✓ FULLY ASSEMBLED Ships pre-built in sections — reduces labor time while maintaining precision manufacturing quality

COMMERCIAL-GRADE CONSTRUCTION

Engineered for High-Traffic Healthcare & Commercial Facilities

This 60" commercial vanity is constructed using heavy-duty cabinet materials with professional joinery for superior structural strength. The two-piece split cabinet design allows easier maneuvering through standard doorways and faster installation in commercial retrofit and new construction projects — without sacrificing precision or quality. The seamless one-piece porcelain top spans the full 60", housing two integrated basins with overflow drains and three-hole faucet mounting. High-pressure laminate cabinet surfaces are moisture-resistant and engineered for daily use in healthcare and facility restrooms.

Cabinet Shell	Heavy-duty commercial cabinet materials with professional joinery
Cabinet Design	Two-piece split construction — easier doorway transport and installation
Vanity Top	One-piece seamless porcelain — dual integrated basins, glazed finish
Basin Config.	Two integrated basins with overflow drains and single-hole faucet mounting

Installation Guidelines

This vanity is designed for straightforward two-section wall installation:

- Two-piece cabinet design — install each section independently for easier maneuvering through doorways
- Heavy-duty stud-mount installation requires proper wall reinforcement and blocking for long-term stability
- Open back panel on each section provides simplified plumbing rough-in and service access
- One-piece porcelain top spans both cabinet sections — install after both cabinets are secured
- Single-hole faucet mounting on each basin accommodates standard faucet configurations
- Verify local code compliance for all ADA installations
