COMMERCIAL-GRADE CONSTRUCTION

Engineered for Healthcare Durability

This compact 24” base cabinet is constructed using an engineered core with an impact-resistant shell and professional dado joinery for superior structural strength. Two full-extension 18” drawers sit above a two-door lower section, offering versatile clinical storage in a space-efficient footprint. High-pressure laminate surfaces provide moisture-resistant, easy-to-sanitize finishes that withstand the demands of high-volume clinical environments. Contemporary 4” chrome handles complete the professional finish.
