COMMERCIAL-GRADE CONSTRUCTION

Jungle-Themed — Engineered for Pediatric Clinic Durability

The Elephant Pediatric Exam Table is built with heavy-duty, medical-grade materials engineered for the demands of high-volume pediatric clinics. The 2-step walk-up with non-slip rubber steps gives children safe, independent access — eliminating lifting and reducing back strain for your staff. A thick, supportive cushion ensures patient comfort during every exam, while seamless easy-to-clean surfaces maintain infection control standards throughout the day. Deep storage cabinets and full-extension drawers maximize organization, keeping supplies accessible and your exam room running efficiently.
