FOOTBALL PEDIATRIC EXAM TABLE

Professional Specification Sheet | Model 3-14

Kick off your exams with the Football Pediatric Exam Table! For over 30 years, Goodtime Medical has manufactured premium pediatric exam furniture directly for healthcare facilities nationwide. This bold, sports-themed table transforms every clinic visit into a winning experience — reducing anxiety, improving patient cooperation, and helping providers run faster, smoother, and more efficient exams every day. Choose from 20 solid colors to match your team, clinic brand, or exam room theme.

KEY PRODUCT FEATURES

✓ FOOTBALL-THEMED DESIGN Bold football graphics create a welcoming, low-stress environment that immediately engages young patients.	✓ 400 LB WEIGHT CAPACITY Heavy-duty construction supports up to 400 lbs — dependable, reliable performance for a wide range of patients.
✓ 72" PULL-OUT FOOTREST EXTENSION Extends the patient surface to a full 72" — ideal for taller pediatric patients and specialty exams.	✓ FULL-EXTENSION DRAWERS & OPEN SHELVING Quick-access storage keeps supplies organized — open shelving ensures fast, efficient exam room workflow.
✓ BUILT-IN PAPER DISPENSER Keeps exam paper secure, accessible, and out of reach — streamlining patient turnover throughout the day.	✓ 20 SOLID COLOR OPTIONS Fully customizable cabinet color — choose from 20 solid colors to match your team colors or clinic décor.

COMMERCIAL-GRADE CONSTRUCTION

Fun, Functional & Built for High-Volume Pediatric Clinics

The Football Pediatric Exam Table is engineered for speed and organization in demanding healthcare environments. Full-extension drawers and open shelving give medical staff instant access to supplies and equipment during exams, while the pull-out footrest extends the patient surface to a full 72" for maximum flexibility. Built with a 400 lb weight capacity, this table delivers dependable support for the widest range of pediatric patients. Non-porous, easy-to-sterilize laminate surfaces meet strict infection control standards, while the low 32" table height provides comfortable, easy access for younger and smaller patients without a step system.

Base Table Length	58" L (base cabinet)
Extended Patient Length	72" with pull-out footrest extension
Table Height	32" H — low profile for easy patient access
Surface Finish	Durable laminated graphics — non-porous, easy to sterilize
Storage Configuration	Full-extension drawers + open shelving for fast access
Paper Dispenser	Built-in, concealed inside cabinet; fits standard exam paper rolls
Cabinet Colors	20 solid colors — match your team or clinic theme
Application	Pediatric clinics, urgent care, family practices, specialty clinics

THE GOODTIME MEDICAL ADVANTAGE

Manufacturer Direct = Superior Value

Unlike distributors who add layers of markup, Goodtime Medical manufactures every exam table in our USA facility and sells directly to you. Three decades of experience means we've refined every detail — delivering competitive pricing, personalized service from the people who actually build the product, and complete control over customization and lead times.

✓ Expert Consultation Technical support for compliance verification and seamless design integration.	✓ Fully Assembled Ships ready to use straight out of the box — zero assembly required.	✓ Rapid Lead Times 2–3 week production with quantity discounts for multi-unit orders.
✓ 20 Color Options Choose from 20 solid colors — match your team colors or clinic brand perfectly.	✓ Quality Assurance Every unit is individually inspected before shipment. 5-year warranty included.	✓ Direct Support Always speak with the people who build your product — never outsourced.

INSTALLATION GUIDELINES

- Fully assembled unit — position in exam room and connect plumbing; no on-site assembly required.
- Built-in paper dispenser housed inside the cabinet keeps rolls protected and away from curious hands.
- Open back panel design allows simplified plumbing rough-in and straightforward service access.
- Low 32" table height provides easy patient access without a step system in most cases.
- Verify local code compliance for all pediatric medical furniture installations prior to use.
