FRANKIE FIRE ENGINE PEDIATRIC EXAM TABLE

Professional Specification Sheet | Model 3-1 | Patent # D383543

Sound the alarm — the Frankie Fire Engine Pediatric Exam Table is here to rescue the exam room experience! For over 30 years, Goodtime Medical has manufactured premium pediatric exam furniture directly for healthcare facilities nationwide. The moment young patients see Frankie, anxiety disappears and excitement takes over — helping providers move through exams faster, more efficiently, and with greater patient cooperation from the very first visit.

KEY PRODUCT FEATURES

✓ FRANKIE FIRE ENGINE THEME Engaging fire engine design instantly eliminates patient anxiety and transforms every exam into an adventure.	✓ PATENTED 3-STEP WALK-UP SYSTEM Safe, independent access for kids while reducing staff lifting and strain during boarding.
✓ NON-SLIP RUBBER SAFETY STEPS Extra-grip rubber treads provide confident, secure footing for young patients during boarding.	✓ DEEP STORAGE CABINETS & DRAWERS Full-extension precision-glide drawers and deep cabinets maximize exam room organization.
✓ RECESSED SAFETY HANDLES Chrome recessed handles provide smooth, snag-free operation with an authentic fire engine look.	✓ BUILT-IN PAPER DISPENSER Stored safely inside the front cabinet — streamlines exam setup and improves workflow efficiency.

COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

Every Frankie Fire Engine is built for real clinical performance. The integrated rubber safety steps, rounded safety corners, and chrome support handrail provide secure, easy access for pediatric patients while significantly reducing staff lifting and strain. A premium high-density foam comfort pad delivers superior patient comfort during every exam and is easily replaceable to maintain a clean, professional appearance over time. Precision full-extension glide drawers and deep cabinet storage keep essential supplies organized and within reach, maximizing exam room efficiency in the busiest clinics.

Extended Table Length	68" with pull-out retractable footrest
Exam Cushion	Premium high-density foam pad — comfortable and easily replaceable
Surface Finish	Medical-grade laminate — moisture-resistant and easy to sanitize
Step System	Patented 3-step walk-up with non-slip rubber safety treads
Support Handrail	Chrome recessed safety handrail for secure patient boarding
Storage Configuration	Deep storage cabinets + full-extension precision-glide drawers
Paper Dispenser	Built-in, concealed inside front cabinet; fits standard roll paper
Fire Engine Graphics	Durable laminated graphics — vibrant, fade-resistant, easy to wipe clean
Tires	Real rubber tires with chrome hubcap detail
Application	Pediatric clinics, urgent care centers, children's medical offices

THE GOODTIME MEDICAL ADVANTAGE

Manufacturer Direct = Superior Value

Unlike distributors who add layers of markup, Goodtime Medical manufactures every exam table in our USA facility and sells directly to you. Three decades of experience means we've refined every detail — delivering competitive pricing, personalized service from the people who actually build the product, and complete control over customization and lead times.

✓ Expert Consultation Technical support for compliance verification and seamless design integration.	✓ Fully Assembled Ships ready to use straight out of the box — zero assembly required.	✓ Rapid Lead Times 2–3 week production with quantity discounts for multi-unit orders.
✓ Custom Pad Colors Dove Gray, Mocha, or Black — choose the finish that suits your clinic.	✓ Quality Assurance Every unit is individually inspected before shipment. 5-year warranty included.	✓ Direct Support Always speak with the people who build your product — never outsourced.

INSTALLATION GUIDELINES

- Fully assembled unit — position in exam room and connect plumbing; no on-site assembly required.
- Concealed paper dispenser is housed inside the front cabinet, keeping it out of sight and away from curious hands.
- Open back panel design allows simplified plumbing rough-in and straightforward service access.
- Patented 3-step walk-up system with non-slip rubber treads and chrome handrail are pre-installed and ready for use.
- Verify local code compliance for all pediatric medical furniture installations prior to use.
