COMMERCIAL-GRADE CONSTRUCTION

Built for Adventure — Engineered for Durability

Every Hippo Pediatric Exam Table is built with heavy-duty, medical-grade laminate surfaces designed to withstand the demands of high-volume pediatric clinics. The thick, seamless padded exam top delivers superior patient comfort and is easily replaceable to maintain a clean, professional appearance over time. The hippo's spacious belly provides built-in cabinet storage that keeps your exam room organized and clutter-free. The integrated 2-step walk-up system built into the hippo's head allows young patients to climb aboard safely and independently — reducing staff lifting and improving workflow efficiency.
