COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

Every Lucy Love Bus is built with heavy-duty, medical-grade surfaces designed to withstand the demands of high-volume pediatric clinics. The retractable footrest extends the table to a full 68" patient length, accommodating growing patients comfortably. The thick, seamless pad is easy to sanitize and simple to replace when needed. Two full-extension drawers and dual cabinet doors provide ample, organized storage that keeps your exam room running smoothly from the first patient to the last.
