COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

The Magic Bus Pediatric Exam Table is built with heavy-duty thermofused laminate engineered for the demands of high-volume pediatric clinics — offering superior scratch resistance, easy sterilization, and long-term durability without fading or wear. The patented 3-step walk-up system with non-slip rubber steps gives children safe, independent access while significantly reducing staff lifting and strain. Deep storage drawers and cabinets maximize exam room organization, while the built-in paper dispenser keeps room turnover fast and efficient. Real rubber tires and recessed handles complete the authentic bus experience that kids absolutely love.
