COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

The Pony Pediatric Exam Table is built with durable, easy-to-clean medical-grade surfaces designed for the demands of busy clinical environments. The patented 3-step walk-up with non-skid surfaces lets young patients climb up safely and independently, reducing staff lifting and strain. The adjustable backrest tilts to accommodate a wide range of exam positions, while lockable cabinets with adjustable shelves and full-extension drawers ensure every supply is organized and within arm's reach. The concealed paper dispenser keeps rolls protected and staff-accessible, supporting fast and efficient room turnover.
