COMMERCIAL-GRADE CONSTRUCTION

Built for Speed — Engineered for Durability

Every Ricky Race Car is built with heavy-duty, medical-grade surfaces designed to withstand the demands of high-volume pediatric clinics. The thick, seamless padded top delivers superior patient comfort and is easily replaceable to maintain a clean, professional appearance over time. Two cabinet doors and one smooth-glide full-extension drawer maximize usable storage space while keeping your exam room organized and clutter-free. Easy-to-clean surfaces support rigorous infection control protocols in the busiest healthcare environments.
