WHALE PEDIATRIC EXAM TABLE

Professional Specification Sheet | Model 3-9

Make a splash with the Whale Pediatric Exam Table! For over 30 years, Goodtime Medical has manufactured premium pediatric exam furniture directly for healthcare facilities nationwide. This delightful ocean-themed table features a friendly smiling whale complete with starfish and octopus accents — captivating young patients the moment they walk through the door. Kids climb up the whale's tail on non-skid steps, turning a routine exam into a fun undersea adventure that keeps them calm, cooperative, and ready to be seen.

KEY PRODUCT FEATURES

✓ WHALE-THEMED OCEAN DESIGN Friendly whale with starfish & octopus accents — captivates young patients and eliminates pre-exam anxiety.	✓ CLIMB UP THE WHALE'S TAIL Kids board via 2 non-skid steps built into the whale's tail — a uniquely fun boarding experience.
✓ FOOTREST IN THE TAIL Built-in footrest housed in the whale's tail extends the usable patient surface for taller children.	✓ DEEP LOCKABLE STORAGE CABINETS Spacious belly storage with lockable cabinets keeps medical supplies organized and within easy reach.
✓ CONCEALED PAPER DISPENSER Accepts standard 18" × 125' exam paper rolls; safely stored inside the cabinet for clean workflow.	✓ FULLY ASSEMBLED Ships ready to use straight out of the box — no assembly, no installation, no headaches.

COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

The Whale Pediatric Exam Table is built with durable, easy-to-clean medical-grade surfaces designed for the demands of busy clinical environments. Young patients climb up 2 non-skid steps built into the whale's tail — reducing staff lifting and strain. The footrest, also cleverly integrated into the tail, extends the usable patient surface to comfortably accommodate taller children. Lockable cabinets in the whale's belly provide ample storage for medical supplies, while the concealed paper dispenser keeps rolls protected and easily accessible for staff.
