COMMERCIAL-GRADE CONSTRUCTION

Engineered for Pediatric Clinic Durability

The Zebra Pediatric Exam Table is built with durable, easy-to-clean medical-grade materials designed for the demands of busy clinical environments. The two-step walk-up with non-skid surfaces lets young patients climb up safely and independently, reducing staff lifting and strain. Lockable cabinets with adjustable shelving maximize storage flexibility, while smooth, safe edges throughout the design prioritize patient safety. With an impressive 400 lb weight capacity, this table confidently accommodates a wide range of patients with ease.
